

This bill is not a partisan issue but, instead, a moral issue. By passing this law, every year we would be saving over 12,000 babies who can feel pain and hear our voices. It should be noted that this proposal has seen bipartisan support across the country. In fact, 60 percent of Americans support prohibiting abortions after 20 weeks, including 63 percent of those who consider themselves pro-choice.

This legislation is about nothing less than protecting those who cannot protect themselves. We remain one of only seven countries in the entire world that continues to allow abortions after 20 weeks.

We must act to change this. I urge my colleagues to join me today in supporting the Pain-Capable Unborn Child Protection Act, or Micah's Law.

A CALL TO RENEW YOUR STATUS UNDER DACA

(Ms. BARRAGÁN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BARRAGÁN. Mr. Speaker, I rise today because this Thursday, October 5, is an important deadline: 154,000 young men and women have until this Thursday to renew their status under the Deferred Action for Childhood Arrivals program, or DACA. Those 154,000 DACA recipients, whose authorization expires before March 6, 2018, must renew their application.

If you are one of them, please send in your application today. Under the new DACA rules, you are entitled to receive two more years of deferral, but only if the U.S. Citizenship and Immigration Services receives your application by October 5. If you have not already sent in your application, send it in the fastest way possible. A regular first class stamp will likely not arrive in time.

My district is home to many DACA beneficiaries known as DREAMers. Do not wait. To all the other DREAMers, I say: Don't lose hope. You have the support of the vast majority of the American people, and we are fighting every day to get the Dream Act to the House floor.

CELEBRATING NATIONAL 4-H WEEK

(Mr. MARSHALL asked and was given permission to address the House for 1 minute.)

Mr. MARSHALL. Mr. Speaker, the first week of October marks the celebration of an organization very near and dear to my parents' hearts, as well as many friends. It is National 4-H Week. It is a time to reflect on the importance of youth development and mentoring within our communities. 4-H was founded to be focused on youth within rural and agricultural areas. It teaches essential skills and the importance of community service.

Today, 4-H has evolved into a global network covering over 50 countries. As

the Nation's largest youth leadership organization, 4-H exemplifies the kind of learning, engagement, and leadership that is needed in our country. Their many programs focus on health, science, agriculture, and citizenship in a positive mentoring environment. The experience teaches young people leadership lessons, as well as the value of practical skills and hands-on learning.

HONORING ELAINE NEKRITZ

(Mr. SCHNEIDER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHNEIDER. Mr. Speaker, I rise today to honor a dedicated public servant, terrific mentor, and good friend, Elaine Nekritz, who retired this week as State representative for Illinois' 57th District.

For more than 14 years, Elaine has ably represented the communities of Buffalo Grove, Arlington Heights, Northbrook, Wheeling, Palatine, Mount Prospect, and Prospect Heights in the Illinois House of Representatives.

During this time, she has been an outspoken advocate for her constituents, a passionate defender of the environment, and a champion for women's rights.

Future generations in Illinois will benefit from Elaine's work to invest in infrastructure, including a high-speed rail link between Chicago and St. Louis.

Her smart backing of criminal justice reform ensures more young offenders have an opportunity to reform their lives through juvenile court.

The residents of the 57th District will miss her energy, dedication, and tireless communication with her constituents.

I am personally grateful for Elaine's service and wish her the best and her husband, Barry, the very best in whatever comes next.

HONORING PASTOR LORAN LIVINGSTON

(Mr. PITTENGER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTENGER. Mr. Speaker, I rise today in honor of Pastor Loran Livingston and his wife, Sandra, in recognition of their 40 years of ministry at Central Church of God in Charlotte, North Carolina.

God has used the Livingstons to grow and lead a church that truly impacts the Charlotte community and the world. Each week, over 6,000 people gather together for a wonderful praise and worship experience, along with a dynamic biblical message from Pastor Livingston.

Under their leadership, the congregation actively serves those in poverty, provides help for women facing an unplanned pregnancy all the way through

life, and programs to assist seniors. Central Church also hosts an annual 5K race to raise awareness in the fight against human trafficking.

If you want to address race relations in Charlotte, a good place to start is Central Church, where 40-plus nationalities worship together every Sunday hearing the love of Jesus.

Thank God for Pastor and Mrs. Livingston and their dedication to Christ, Central Church, the Charlotte community, and their various missions around the world.

SENDING CONDOLENCES TO NEVADAN FAMILIES AND VICTIMS OF LAS VEGAS SHOOTING

(Mrs. DAVIS of California asked and was given permission to address the House for 1 minute.)

Mrs. DAVIS of California. Mr. Speaker, the resilience of Nevadans, brave and caring, is in sharp contrast to the murdering of innocent victims we just witnessed.

Our hearts go out to the families of the victims throughout our country who were only interested in a peaceful and joyful evening.

One of those was Jennifer Irvine, a young San Diego lawyer who was killed in the attack. Let's also recognize the heroes, like Tyler Winston, a San Diegan who saved dozens of victims at the concert by driving a makeshift ambulance and taking people to the hospital. Every single life lost to gun violence should elicit sorrow and action.

Mr. Speaker, then why is it so hard for us to talk about this? Why can't we come together in a bipartisan, bicameral way? Where is the concern?

We have had too many moments of silence in this Chamber for mass shootings.

Why are we not moved when people are dying in our districts daily?

The American people send condolences and they deserve action.

PROTECTING THE GOD-GIVEN SOULS OF THE UNBORN

(Mr. ARRINGTON asked and was given permission to address the House for 1 minute.)

Mr. ARRINGTON. Mr. Speaker, I cannot think of a more important issue to get right than protecting the God-given souls of the unborn and their right to life, liberty, and the pursuit of happiness.

I will never forget listening to the heartbeat of my first child, Nathan. I cried all the way to the car, praising God for this miracle, and the words of the Psalmist came to me: "You formed me in my inward parts; you knit me together in my mother's womb."

Currently, the United States is one of only seven developed countries that allow elective abortions after 20 weeks. That puts us on the same moral equivalent, in this regard, to China and North Korea.

Mr. Speaker, I rise in support of H.R. 36. I stand with the vulnerable and the
